BRITISH CAPTURE IMPORTANT NAVAL BASE ON MADAGASCAR

City in Harbor of Diego Suarez Falls After Brief Battle

BY ROGER D. GREENE
Associated Press War Editor

British shock troops have captured the big naval base of Diego Suarez in Madagascar less than 48 hours after their attack on the 600-mile-long French island, it was officially announced today, while Japanese warships started threatening new maneuvers north of Australia.

The surrender of French colonial forces opposing the British occupation on northern Madagascar island followed swiftly after the defenders had beaten off the first British attack yesterday, inflicting more than 1,000 casualties.

Antsirana, chief town in the harbor of Diego Suarez, was captured "by night attack last night," a British admiralty-war office communique said.

"The French naval and military commanders at Antsirana have surrendered," the announcement said, and all French resistance at the base collapsed.

British troops also captured the small village of Diego, three miles northeast of Antsirana.

Tank-led British commandos and infantry striking from the south launched the main attack on the key naval base, which commands allied sea lanes to the Middle East, India and China.

Royal marines landed north of the town to create "a valuable diversion," the communique said.

While the fall of Diego Suarez constitutes a major victory in the

War Crops In Jersey Spoil Because of Shortage of Help

Asparagus and Other Vegetables Already Lost to Farmers
MANY ARE FACING RUIN

BY JACK SMITH
Bridgeton, N. J., May 7.—(P)—Hundreds of tons of valuable "war" crops are spoiling in the fields in south Jersey because of a harvest-time shortage of farm labor.

Thousands of dollars worth of asparagus—first major crop to be harvested this season in the northeast—already has gone to waste and agricultural extension agents foresee severe losses in other truck crops, many of them on the lend-lease list.

The plight of this rich farm belt may be an indication of what lies ahead for other farm areas heavily dependent upon migratory workers, U. S. Farm Security Administration aides said after a tour of the area yesterday.

In the past at harvest-time, families have trekked here by thousands from southern states.

This year, the F. S. A. says, the migration has been far below normal, presumably because of the draft, the lure of high wages in

GAS RATION DISCUSSED

BULLETIN
Washington, May 7.—(P)—Undersecretary Robert P. Patterson of the war department said today that the rubber shortage was "so acute" that the time had come to stop "Sunday trips, visits to Congress, and other non-essential travel."

At a press conference Patterson predicted that the need for conserving "a million tons of rubber now rolling on the highways" would demand curtailment of sports events, as for vacations. Patterson said the forthcoming rationing of gasoline would go a long way toward taking care of that question.

Sugar Rationing Books Issued To Nearly 30,000 In County

Last Group of Household-ers Make Application During Day

SOME TIMELY ADVICE

Nearly 30,000 persons in Warren county have been enrolled for sugar rationing during the past three days and this afternoon and evening the last group of householders will go to elementary schools to make application for sugar rationing books.

In yesterday's registration there were 7,820 applications filed in the county, with 7,625 books being issued. This brought the three-day total to 29,855 registrations and 28,176 books issued.

In Warren borough there were 4,099 registrations yesterday, bringing the total to 11,423, according to Superintendent of Schools John G. Rossman.

Yesterday's totals by schools were as follows: East street, 911; Home street, 308; Jefferson, 681; Lacy, 583; McClintock, 542; Seneca, 237; South street, 817.

CASUALTIES IN CONFLICT NOT KNOWN

Communique Issued By Navy Department States Wainwright Probably a Prisoner

CHINA MAY BE NEXT

Washington, May 7.—(P)—The war department announced today that approximately 11,574 soldiers, sailors, marines and civilians presumably were captured by the Japanese on Corregidor and the other Manila Bay forts.

The estimate was based on reports received up to April 15, a communique said, and did not take into consideration casualties which might have been suffered in the last three weeks.

The total included 2,275 naval personnel, 1,570 marines, 3,741 American soldiers, 1,280 Philippine scouts, 1,446 soldiers of the Philippine commonwealth army, and 1,289 civilians, including civilians and individuals not otherwise classified.

The communique was issued at a press conference by the Undersecretary of War, Robert P. Patterson, who said that Lieutenant General Jonathan M. Wainwright, commanding the American-Philippine forces, presumably was among those captured.

LONDON CLAIM IS DENIED BY VICHY

Vichy, Unoccupied France, May 7.—(P)—An announcement that Diego Suarez, main stronghold on French Madagascar, still was holding out at 1:30 p. m., Vichy time (EDT), was issued here today.

It was insisted that this was based on the latest information from Madagascar and was issued "in answer to a report" (presumably the British announcement) that the naval base had surrendered.

British campaign, which started at dawn Tuesday, considerable further resistance may be expected from the remainder of the island's 600,000 French and native population.

British headquarters said BEF infantry preceded by naval bombers charged a strong French position, protected by 75-MM field guns and machineguns, a few miles outside Diego Suarez and opened the way for its capture.

A French submarine and a sloop were reported sunk in Diego Suarez harbor during the final attack.

In London, Prime Minister Winston Churchill told parliament that protocol was being drawn up between the opposing commanders and that the British fleet was expected to enter Diego Suarez harbor soon.

Churchill said losses in the opening assault on French positions Tuesday night have exceeded 1,000 men.

"We trust the French national will in time come to regard this episode as a recognizable step in

Stuttgart Is Again Raided By the R. A. F.

London, May 7.—(P)—Royal Air Force bombers, continuing their smashing attacks at the industries feeding Adolf Hitler's war machine, hammered at Stuttgart last night for the third successive night and roared into France by daylight today.

Seven of the night raiders were shot down, the air ministry said.

The raiders went in considerable force to smash at the southern German manufacturing city, which reduces aviation engines, tanks and electrical equipment, and at other targets in that region.

DNB, German news agency, reported that British bombers attacked southern and southwest Germany last night. Four raiders were shot down, the agency said.

Incendiary bombs caused damage at a residential quarter of "a fairly small town," it added, and in rural districts.

(Light German bombers, ranging over the shipping lanes around Britain, were reported by the German high command to have sunk a motor boat off the English south coast.)

As in the past two nights, the AF encountered clouds and haze over Stuttgart and other targets in southern Germany which prevented observation of results, informed sources said. It was presumed, however, that the Bosch electrical works again was the principal target.

Docks at Nantes also were hit in the third successive night and also were made on airfields in German-occupied territory.

ACTIVITIES AT NEW BRITAIN INCREASING

Latest Enemy Moves Signal New Southward Thrust Against Australian Life-Lines

PUSH UP BURMA ROAD

By the Associated Press
In the Far Pacific, Gen. Douglas MacArthur's headquarters reported briefly that increased Japanese naval activity had been observed in the waters around New Britain, perhaps signalling a new southward thrust against Australia's life-lines or against the "down-under" commonwealth itself.

The 100-mile waterway between New Britain and New Guinea, which lies to the west, is the natural gateway through which a seaborne thrust against Australia's east coast would be launched. The Japanese have a measure of air control over this passage through their bases on either side of the strait.

Military observers pointed out that with the fall of Corregidor, large numbers of Japanese troops and equipment have now been released for duty elsewhere, and they recalled that so far in the war the Japanese have been swift to strike in a new direction after each success.

Activity by Japanese warships was also reported near Bougainville in the Solomon Islands, 300 miles east of New Britain.

On the Burma front, Chinese military dispatches acknowledged that Japan's invasion armies pushing up the Burma road had driven almost 25 miles into China proper after capturing the Chinese town of Wanting, on the China-Burma frontier.

Other developments in the world-wide picture included:

Russian dispatches reported that the Red armies, attacking across bogs in an important sector west of long-besieged Leningrad, had captured a junction point which the Germans had held all winter.

FUEHRER REPORTS ON RECENT TORPEDOINGS

Berlin, (From German Broadcasts) May 7.—(P)—DNB quoted a special announcement today from Adolf Hitler's headquarters that "German U-boats have sunk 20 enemy merchant ships off the coast of North America and in the Caribbean sea."

The ships were said to total 138,000 tons. The length of time covered by the sinkings was not specified.

Outstanding Heroes of First War Commissioned as Majors

Road Work In State Halted

Harrisburg, May 7.—(P)—Construction and maintenance of Pennsylvania roads have been virtually brought to a stop by federal priorities, I. Lamont Hughes, highways secretary, pointed out after receiving a report from an engineer sent to Washington for authority to proceed with highway projects.

"We didn't make out so well down there," said Hughes on the return of Chief Maintenance Engineer H. R. Moffitt, "and it doesn't look very good for the near future. I don't think we'll be able to get tires, oils or asphalt for patching and even if we did get them there's the question of transporting them to the job."

A federal order prohibiting projects not actually begun on April 8 found the state with \$53,000,000 available for highway work under a record 1942 program.

Cruiser Lost In the Arctic London Says

London, May 7.—(P)—The cruiser Edinburgh has been lost in a battle with German forces in the Arctic, the admiralty announced today.

A communique said 90 per cent of the convoy the Edinburgh was protecting, carrying important supplies to Soviet Russia, reached its destination despite the attack.

Another convoy, homeward bound over the same supply lane, was said to have lost one ship.

The admiralty said one German destroyer of the force which attacked the Edinburgh was sunk and another was damaged severely.

Baldwin Tanks Deadlier Than Any of Enemy

Production Schedules Set By War Department Greatly Exceeded

MANPOWER INCREASED

Philadelphia, May 7.—(P)—American tanks with armor plate thicker than in any Axis tanks and with deadlier armament are rolling off production lines at the Baldwin Locomotive Works near here at three and one half times the rate set by war department officials a year ago.

Before the year is out, the flow of tanks is expected to be increased another three times over the original production schedules, army officials estimated today.

The Baldwin plant, which manufactures huge quantities of diversified war material, has increased its manpower ten times in the last two years for special war production. At the same time, it has doubled its output of locomotives for both government and private agencies.

The tanks now going to every war theatre of the world are good from the point of view of durability and fighting capacity, army officers say, but the new ones will be better because three of the most vulnerable points in a tank's effectiveness have been corrected.

Tank production has not been an easy matter for the Baldwin plant. Ralph Kelly, executive vice president said "we went into it cold, we had to find the tools to make the plates and we had to train the men to do the work."

In an earlier visit to the Westinghouse Electric and Manufacturing Company's steam division plant, newspaper correspondents on a tour sponsored by the National Association of Manufacturers heard described the six-fold increase in manufacture of turbines and both merchant marine and warships.

3,491 REFUSED SUGAR RATION BOOKS IN ERIE

Erie, May 7.—(P)—C. Herman Grose, superintendent of schools in Erie, reported today 3,491 applicants had been refused sugar rationing books here during the last three days of registration because they had excess stocks of sugar.

Rationing books were issued to 95,852, leaving approximately 31,000 still to be registered.

Negro Slayer Is Given Chair

Pittsburgh, May 7.—(P)—William K. Wilson, 21-year-old Pittsburgh negro who pleaded guilty to murder at the urgings of a missionary that he "tell the truth," must die for killing Rose Haber, 34, a drug store clerk, in a \$3 hold-up.

Judge William H. McNaugher, Judge John H. Wilson of Butler county and Judge Ivan J. McKenrick of Cambria county, who heard testimony to aid in fixing the degree of guilt, deliberated an hour and 45 minutes before announcing their verdict late yesterday.

The court said it found "nothing in the case that merits extension

Murray Given Full Support

Pittsburgh, May 7.—(P)—The CIO Pennsylvania Industrial Union Council today pledged "full support" of the policies of the CIO and CIO President Philip Murray, who has been at odds with John L. Lewis, former CIO chieftain and president of the United Mine Workers.

Council delegates, representing miners as well as other CIO unionists, adopted the resolution at their convention after being urged by a CIO leader to support Murray and after hearing John Mates, UMW executive board member, declare "the miners efforts in this war are being led by one of the greatest Americans and greatest labor leaders."

The convention also adopted a resolution urging a second front against the Axis, declaring it was "necessary for the successful prosecution of the war" that the resolution to a demand for a second front.

Unusual Mother's Day Event at Ft. Benning

Fort Benning, Ga., May 7.—(P)—Twenty mothers of Fort Benning soldiers will visit their sons at the infantry post during the week-end with all expenses paid as part of the army Mother Day celebration.

Thousands of soldiers registered their mother's names for drawings to select those who would make the trip.

Mrs. Willis D. Crittenger, wife of the commander of the Second Armored Division, drew the names of 20 mothers from a large container. Alternates also were drawn in case some of the mothers cannot make the trip.

The first 20 drawn included: Mrs. Joseph Schosser, Stoneboro, Pa., mother of Pvt. Paul E. Schosser; Mrs. Minnie Branyan, McKees-Rock, Pa., mother of Pvt. Abe Branyan.

Senator Urges Taking Over Western Hemisphere Islands

New Discussions Aroused By British-French Hostilities

WARNING TO PORTUGAL

BY JOHN W. HENDERSON
Washington, May 7.—(P)—The British-French conflict over Madagascar provoked new congressional discussion today of the possibility of a United States move to seize French possessions in the western hemisphere to prevent their use by the Axis.

Chairman Connally (D-Tex.) of the senate foreign relations committee advocated such action only if the Madagascar action led to a "shooting war" between United States and French forces, but Senator Pepper (D-Fla.), a committee member, urged immediate seizure.

The Florida senator also declared the United States should inform Portugal and Spain that Axis use of their Atlantic possessions would not be tolerated.

Connally said at a press conference that he would advocate taking Martinique, French Guiana

President Of Peru A Visitor

Miami, Fla., May 7.—(P)—President Manuel Prado of Peru left by plane today for a state visit at the White House after telling Miami that Pan Americanism had drawn new strength from war adversities, "and thus is, indeed, the best guarantee of victory."

Breaking precedent by visiting the United States during his term of office, the Peruvian president received an elaborate welcome in Miami, and went on to an even more colorful one in Washington, where four cabinet officers arranged to meet his plane.

ITALIANS CONVICTED IN SABOTAGE TRIAL

Camden, N. J., May 7.—(P)—Twelve more Italian seamen were convicted in federal court yesterday of sabotaging their vessel, the Santorosa, before its seizure by the federal government in March, 1941. Earlier, the crews of two other Italian ships were convicted.

Judge Ayscough deferred sentence pending a hearing on an appeal by defense counsel. The maximum penalty is 20 years' imprisonment and \$10,000 fine.

FIRST CASE OF SUGAR RATIONING VIOLATION

Wilmington, Del., May 7.—(P)—OPA officials and the U. S. attorney's office conferred today on what action to take against a man who they said illegally possessed 40 pounds of sugar. The case is believed to be the first reported since rationing began Monday.

Detectives Earl Eger and Henry D. Howell, searching for numbers slips, said they found the sugar in the home of Charles Wright, 58. On Monday, officers said, Wright registered at sugar rationing headquarters and reported he had no sugar on hand.

Wayland H. Elsbree, regional OPA attorney, declared "willful violation by selfish individuals will not be tolerated" and pointed out the maximum penalty for rationing violation is 10 years imprisonment and \$10,000 fine.

Lehman Not To Be A Candidate Again

Albany, N. Y., May 7.—(P)—Governor Herbert H. Lehman, New York's four-term Democratic chief executive, announced today he would not be a candidate for reelection and added: "If nominated I will not accept the nomination."

The governor said, however, he has "no plans" for leaving his office until the end of the current four-year term Dec. 31.

The governor's announcement came in the midst of long standing speculation that President Roosevelt, his predecessor in the New York governorship, would for him a war job in Washington in the near future.

Driver Makes Own Decision On Use Of Weekly Ration

Washington, May 7.—(P)—Each motorist, the Office of Price Administration says, can make his own decision whether to use his weekly gasoline ration each week from May 15 until July 1 or use it all up at one time.

The instructions issued yesterday, providing an average allowance to "non-essential" motorists ranging somewhere between 2 and 3 gallons a week, said no other ration cards would be issued for gasoline deliveries between May 15 and July 1.

They added that a motorist could use all of his purchase units at one time if he desired—if the filling station, whose supplies will be cut 50 per cent below normal, can fill the orders.

The ration cards for use until July 1 will not be good after that date, under present OPA plans. Details of the elaborate program to be made effective July 1 have not been announced.

As Corregidor's Guns Thundered Final Defiance

Roaring back the answer of the outnumbered defenders of Corregidor to ceaseless Japanese onslaughts, big guns played a major role in the gallant stand made by U. S. forces on the island fortress. As at Bataan and Wake, surrender came only after heroes had written a glowing page in history. Picture approved by censor.

MRS. AMELIA LEONHART

Mrs. Amelia Leonhart, widow of Albert Leonhart, passed away at 8:52 p. m. Wednesday at her home, 106 Jackson avenue, following an illness of three months. She was born in New York City on August 25, 1860, coming to Warren county as a young girl and residing here since.

She leaves three sons, Harry, Louis and Paul Leonhart, of Warren; one sister and one brother, Mrs. G. G. Weller and L. A. Wenzel; four grandchildren, Mrs. Helen Casler and Miss Loy Lou Leonhart, Jamestown, N. Y., Miss Evelyn and Miss Jeanne Leonhart, of Warren; also one great-grandchild, Brian Casler, of Jamestown. Another son, Leonard, preceded her in death in 1914.

Removal was made to the Peterson Funeral Home, where friends may call and from where services will be held at 3:30 Saturday afternoon. (Jamestown paper please copy)

MRS. CORA B. JONES

Cora Belle Jones, widow of Warren F. Jones, passed away Tuesday evening at ten o'clock at her home on High street, Youngsville, following a long illness. She was born October 27, 1867 near Hornell, N. Y., but had resided in Newtown Mills and Youngsville the greater part of her life.

She is survived by the following children: Warren H., of Youngsville; Jerry E., of Warren, and Mrs. Wade Burdick, of Smethport; also seven grandchildren and five great-grandchildren.

Funeral services will be held from the family home, 203 High street, at 2 p. m. Friday, with interment in East Ripley cemetery, Ripley, N. Y.

PATRICK S. J. McGRATH

Word has been received here of the death of Patrick Stephen J. McGrath, formerly of Warren, who died at his home in Westville, N. J., on Monday. He was employed at the Philadelphia Navy Yard. Mr. McGrath was the son of Mr. and Mrs. Michael McGrath, of this city. The body is being shipped to the Leo D. Gibson Funeral Home here and a more complete obituary will be printed later.

OIL AND TEXAS

Not only is Texas the largest shipper of oil to other states, but it imports the largest amount of crude from other states. During 1940, it exported 142,888,000 barrels and imported 76,252,000 barrels.

WORKING ON HIGHWAY

Employees of the Tri-State Engineering Company, which is building the new portion of the Warren-Jamestown highway between the Warren borough line and the Conewango Valley Country Club, have arrived to begin completion of the work, halted last fall by the weather. At present they are working on the berms on the completed portion, north from Venturatown. The firm is awaiting granting of priorities for asphalt paving material by the government before starting on the unfinished section on the Warren-Venturatown end.

SUCCESSFUL FESTIVAL

The sacred band festival presented Wednesday evening in the Clarendon Methodist church by the local Salvation Army Youth Band was attended by a capacity audience. The service was led by the pastor, Rev. Jesse J. Knapp, who presented Major B. E. Flink as chairman of the musical program. Major Charles McNally, of Pittsburgh divisional headquarters, was in Warren for area inspection and was a special guest. An authority on band matters, his presence was greatly appreciated.

Annually, about 15,000 rhesus monkeys are imported from British India.

Local Pastor To Speak At Thiel Event

Rev. Edward K. Rogers, pastor of the First Lutheran church, has been invited by Coach Stoeber of Thiel College to be guest speaker on Saturday of this week for the annual Gold Letter Day festivities at the Greenville school. Mrs. Rogers will accompany him.

On this day, athletic awards for Thiel are given out and an approximate 300 high school students from the area are entertained on the campus.

The honor was paid the local man because of his having been chosen in 1932 as one of the guards on the All-time Thiel Football Team, in addition to having been awarded the Tri-state Conference Medal for athletics and scholarship when he was graduated from the institution in 1927.

East Hickory

East Hickory, May 6—Mrs. James A. Connelly, of Ludlow; Mrs. H. A. Shipe, of Youngsville; and Mrs. Blanche Hoover, of Cleveland, sisters of Mrs. James Miller, were with her Wednesday, the occasion being the fifty-sixth anniversary of the marriage of Mr. and Mrs. James Miller. Their golden wedding anniversary was celebrated six years ago with always-to-be-remembered program and dinner, with congratulations and best wishes from the many old-time friends present.

Charles E. Crider, Jr., has been transferred from Camp Barkley, Texas, to Camp Bevens, Mass.

Mrs. Miner Keeley, of Endeavor, who has been admitted to the Oil City Hospital, is improving and will be at her home in a short time.

Miss Pauline Goodwill, with five girl friends, all in attendance at Indiana State Teachers' College, spent the weekend with Mr. and Mrs. A. B. Goodwill. Miss Virginia Wright was also a house guest from here.

Mr. and Mrs. R. W. Williams, of Shippensburg, and Mr. and Mrs. Kenneth Buck and children, of Erie, were visitors at the L. E. Buck home Sunday.

The Alpha Delta Sorority members at Edinboro State Teachers' College were hostesses at a Mother's Day program Sunday at which Mrs. Garnet Gesin was present as guest of her daughter-in-law, Mrs. Hazel Dennison Gesin.

Driver Held After Fatal Ludlow Crash

As a result of an automobile accident at Ludlow Tuesday night, in which a child was fatally injured and six others hurt, Robert Grolmund, 19, of Kane, is being held under \$1,500 bail on charges of voluntary manslaughter and drunken driving.

Grolmund was arraigned yesterday before Justice of the Peace Emil Stenger at Kane, the charges being preferred by McKean County Detective Merle Dickinson, of Smethport.

The accident, which occurred in Ludlow at the Bliss Hill road and Route 6 intersection at 10:30 p. m. Tuesday, resulted in the death of two-year-old James Eastman, of Ludlow, who died in a Kane hospital early Wednesday morning from a fractured skull.

The injured are: Earl Eastman, 27, father of the child, possible internal injuries, torn and lacerated hands, face lacerations and shock. Condition fair. Mrs. Earl Eastman, mother of the child, compound fracture of the left leg, fractured skull, severe lacerations. Condition critical.

Leonard Eastman, 5, son of the couple, possible skull fracture, bruises and lacerations. Condition serious.

William Baumgratz, 18, of Kane, severed tendons and lacerations on right arm and hand, injured leg, severe face lacerations. Condition fair.

William Williamson, 19, of Kane, broken nose, cuts on head, face and body. Condition fair.

Robert Grolmund, 19, of Kane, forehead lacerations, bruises and other minor injuries. He was removed to his home after receiving treatment at the Kane Community Hospital.

The two cars, operated by Eastman and Grolmund, collided almost head-on. Both machines were practically demolished, being jammed together in the center of the highway with occupants either pinned inside or hanging through doors and windshields.

Coroner T. L. Clark, of Bradford, who was called after the death of the child, is investigating the crash, together with state motor police from the Kane sub-station. No time has been fixed for an inquest pending the outcome of inquiries to the others.

Police report that Eastman, who is the son of Mr. and Mrs. Glenn Eastman, of Cole Hill, Warren county, was driving to his home at Ludlow after his family had spent the evening in Kane with Mrs. Eastman's sister, Mrs. Leo Beatty. The other car, owned by Baumgratz, was operated by Grolmund and was enroute back to Kane from Ludlow.

Mr. and Mrs. Eastman and the younger child were in the front seat of their coach and the boy, Leonard, was in the back seat. The three Kane youths also were in a coach.

Grolmund told police he had stopped on the main street of Ludlow, which is also Route 6, near the high school, and was shifting into high gear when the accident occurred. He said he glanced down at the gear shift and never saw the other car approaching.

THANK-YOU CONCERT

Harry A. Summers, director of instrumental music in the borough schools, announces today that adult friends of the school bands and orchestras are to be treated to a special "thank-you" concert on Wednesday evening, May 13, in the high school auditorium. This event is planned as an expression of appreciation for the wonderful support given the school groups in their previous concerts, tag day and other plans.

MOTOR CLUB

The board of governors of the Warren County Motor Club will meet Friday at the Exchange Hotel, with luncheon at 12:15 o'clock.

UNION CIT FIRE

Fire which was discovered about 9:30 o'clock Tuesday night badly damaged the main factory building at the H. B. Lyons Company in Union City. The loss was estimated at \$4,000, with practically complete insurance coverage.

NUTRITION CLASS

There was a good attendance for the Tuesday evening Red Cross nutrition class and those enrolled are reminded that these sessions will continue each Tuesday and Friday at 7:30 p. m. in the Y. W. C. A. Everyone is asked to be on hand for tomorrow night.

CHANGE CONVENTION

An Associated Press dispatch from Williamsport reports that the annual state convention of the Pennsylvania Congress of Parents and Teachers, scheduled in that city in October, has been shifted to Harrisburg because of lack of housing facilities in Williamsport.

KIWANIS OUTING

About twenty-five members of the Warren Kiwanis Club enjoyed an outing yesterday at the Kalb-tus Rod and Gun Club, near Clar-endon. A very enjoyable time was spent both before and after a delicious chicken dinner. A very brief business meeting was conducted by the president, H. D. Baker.

LIFT RESTRICTIONS

All weight restrictions on roads of Warren county have been removed, it was announced today by G. H. Seigworth, county superintendent of highways. The last of the weight restriction signs, from Barnes down the Tonesta creek, were taken down yesterday.

Weight restrictions in Forest county also have been removed, it was reported.

Eastman told police he was approaching the intersection when he saw a car coming from the opposite direction which started across the highway as if to park or turn into the intersection. Accordingly, he swerved his car to the left. As he was a short distance to the left, the machine it suddenly swung back and the cars met on the left front.

Mr. Eastman is employed at Walter Cox's "King's Farm" at Ludlow.

GIVE PRICE CONTROL A CHANCE

Confusion and misunderstandings probably are inevitable, as the new price control regulations, announced one week ago, go into effect.

There will be deliberate frauds, sly chiseling. But these will be in the minority. The real trouble will arise from honest if careless errors; from ignorance on the part of both merchants and customers; from suspicion, intolerance, hot-headedness.

Most of the disputes will be started by customers who believe that they are being charged illegal prices. Nine out of 10 of these—perhaps 99 out of 100—can be avoided if buyers will make certain of their facts.

Actually the price control system is simple so far as the consuming public is concerned.

All you need to remember is this:

Except for certain exempted commodities, the merchant is forbidden to charge more for any article after May 18 than the highest price for which he sold the same thing during March.

That ought not to leave room for misunderstandings. But it will. There are a million and one possibilities.

Many merchants keep no real records. They price merchandise as it comes in, sell it, and a month later have no good idea of what they charged for it.

These men must now go over their stocks, determine for each item their highest March price, and mark their goods accordingly.

There will be innumerable instances in which items now in stock differ from those sold in March. The merchant must try to determine what things he sold in March are most similar to those he has in May, and fix prices accordingly.

In so huge a task, it would seem improbable that honest mistakes can be avoided.

Moreover, the buyer's memory may prove fickle. Under our setup, each merchant has his own price ceiling for every article in stock. The price charged next door has nothing to do with the matter.

If we remember buying a certain brand of coffee for 27 cents, and the grocer asks us 31, we should be very certain that the lower price was not at some other store before we accuse him of violating price control rules.

Leon Henderson, who is not given to over-patience with violations, has emphasized the enormity of the task and the need for patience, understanding and co-operation.

This does not mean we should permit chiseling. It means rather we should make sure we are right before we cause trouble.

Let's give both the merchants and the Office of Price Control a fair chance to do as well as they can, with wages and farm products left to run wild.

DON'T STORE GASOLINE

A reminder was printed in this paper a week ago that people who store supplies of gasoline on their premises, fearing that rationing may make it impossible for them to obtain as much fuel as they want in the future, are taking a dangerous chance.

Now comes a statement issued by the Engineering Department of the National Board of Fire Underwriters in which this same warning is repeated.

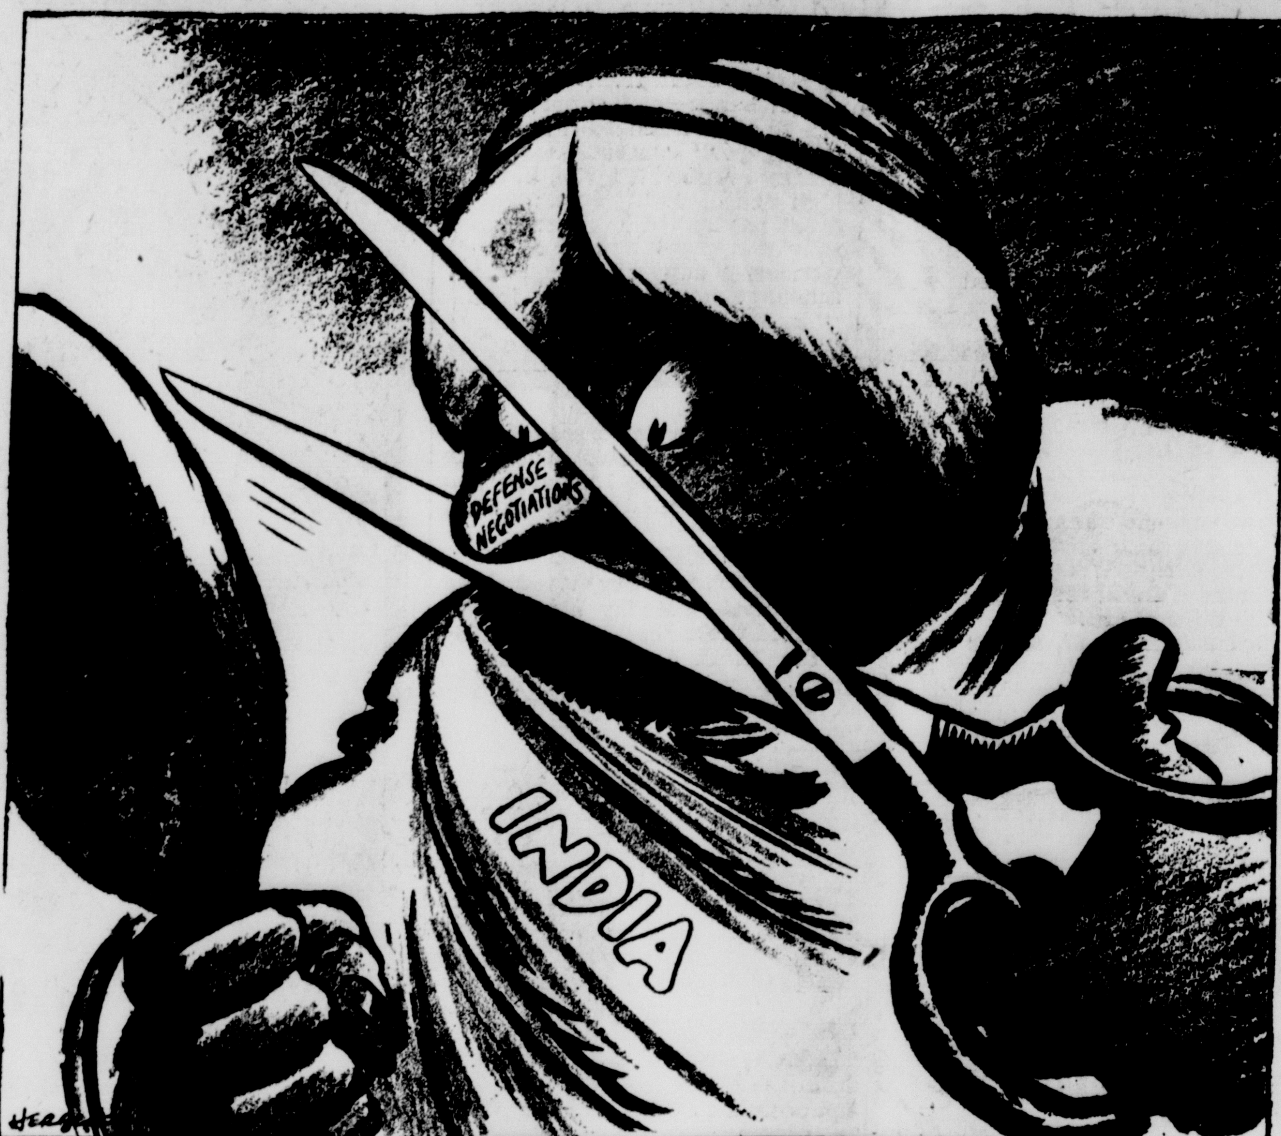

In the early days of motoring, gasoline could be bought in special five-gallon containers. Today, cans of that type are not available. Obtainable containers, for the most part, are not tight. Some are easily broken. Even when a tightly-capped metal container is employed, a hazard still exists. A hole may be eaten in the bottom which will allow slow leakage of the gas. That leak might not be noticed until enough explosive vapor had accumulated to cause a disastrous fire.

When gas is stored in the basement, the vapor released can be ignited by the fire in the furnace. And even, if the container is both leak-proof and structurally sound, a very grave danger arises, when the gas is poured into the car. Many cases are on record where electricity exploded the vapor—and caused tragedies.

The National Board of Fire Underwriters urge fire chiefs and other officials to do all they can to prevent improper storage of gas. Garages should be rigorously inspected and all mediums of communication should be used to show the public the danger involved.

So—don't store gasoline in or about the home. It may void your fire insurance for another thing. And, of course, there is the possibility that when rationing goes into effect you'll have to report amount of gas already in your possession, in which case, like sugar, it would be deducted from the amount allotted you.

H. L. Blair was re-appointed assistant superintendent of county schools yesterday morning at a meeting of the officers of the Warren County Directors Association, held at 10 o'clock in C. S. Knapp's office.

Yesterday afternoon most excellent musical programs were given in all the ward buildings of the Warren public schools. Miss Millar, the principals and assisting teachers have been giving special attention to music this week, designated as Pennsylvania Music Week.

At a meeting of the board of directors of the Warren Chamber of Commerce held Friday afternoon, Emory C. Cook was the unanimous choice for the position of secretary, recently made vacant by the resignation of Howard Waybright, who resigned to accept a position in the city of Boston.

While Sheriff Muir was feeding the prisoners at the county jail Friday night at 6 o'clock, Carl Kelly, who was awaiting trial on a charge of forgery, walked out of the opposite tier from the sheriff and, proceeding through the house, went out the door and made his get-away.

Rev. O. E. Williams, former pastor of the United Brethren church of this city, and now located in Erie, was calling upon his Warren friends Friday.

Dr. and Mrs. J. E. Durham returned this morning from a trip to Philadelphia and Wilmington, Del.

In 1932

Considerable damage to earth roads, gardens and lawns was done by two terrific storms that struck the borough during the noon hour today. Both were accompanied by heavy downpours of rain and hail and the precipitation was so great that storm sewers were inadequate to care for the water. From Saturday morning at eight o'clock until the same hour Sunday, 2.20 inches of water had fallen.

Plans have been approved and work is under way for the building of a new entrance at the Epworth Methodist church in Glade. Other alterations are also being considered, which will greatly improve the edifice.

Approximately one hundred Knights Templar from Warren Commandery No. 63, Knapp Commandery of Ridgway and Kane, and Clarence Commandery of Corry were in attendance Sunday afternoon at 4 o'clock at the special Ascension Day service at the First Lutheran church.

At the closing meeting of the Social Science Club at the Philomel Club, Rev. E. P. Wroth, rector of Trinity Memorial church, was chosen as chairman for 1932-33. Paul Messner was elected secretary-treasurer, and Floyd Bathurst member of the executive committee.

Warren High School track men emerged victorious for the second time within a week when they turned back the Bradford High athletes Saturday at Russell Field by a score of 57-13 to 55-23. Bill Wilson was again outstanding with 23 points to his credit.

WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON—In recent years, death, defeat or retirement has taken a staggering toll of colorful figures in Congress. Gone from Capitol Hill now are Senators Borah, Pittman and Ashurst and Congressman J. Ham Lewis, to mention only a few.

But of the men who have made colorful copy—reams of it—none lately will have left any greater gap in the pattern than Boston's Back Bay Rep. George Holden Tinkham, who has announced his retirement after 28 consecutive years in the House.

Only two senators and six representatives have held their seats in Congress longer than Tinkham and none of them has done it with so little campaigning.

A VETERAN traveler since his days at Harvard when he junked to such far places as the Greek islands in the Aegean and the windswept wastes of Iceland and Spitzbergen, Tinkham has all-ways managed to be off on one of his world jaunts while other congressmen were campaigning their heads off for re-election and he always has been voted back to his seat by substantial majorities.

One year it was a 43,000-mile swing in 220 days to the islands of the South Pacific and the lands of the China Sea. Another year, he was hanging up a record for leopard shooting in British East Africa. He came back that time with the story that his bag of six leopards would have been one greater had not his native guide restrained him from going into the brush after a wounded cat. Tinkham had asked the guide: "Why should I lose a beautiful skin like that?" The guide answered: "To save your own beautiful skin."

While Sheriff Muir was feeding the prisoners at the county jail Friday night at 6 o'clock, Carl Kelly, who was awaiting trial on a charge of forgery, walked out of the opposite tier from the sheriff and, proceeding through the house, went out the door and made his get-away.

Philomel Club Plans To End Anniversary Year With Specials

Mrs. Allie Russell, president of the Philomel Club, announced at yesterday's program-meeting that two more delightful events are in store for members to mark the close of the golden jubilee anniversary.

The first will be a luncheon at one o'clock next Wednesday at the clubhouse to honor the new members taken in this year, with Mrs. E. H. Trushel as hostess chairman and a charter member, Mrs. Mary Albrecht, preparing the 2:30 o'clock program.

To conclude the season, the club will present in special voice recital on Wednesday evening, May 27, Glenn Drake, tenor from Chicago and long-time friend of the Philomel, with one of his favorite pupils, Loretta Downing, young soprano who was heard here a year or more ago by a few friends. Assisting the singers will be Miss Lillian Rohde, pianist, who is a native of Ridgway.

The program for yesterday was given by Junior Philomel members, with the president announcing numbers by the following: Janet Beardsley, Patty Coe, Ann Newmaker, Marion Kridler, Elizabeth Bathurst, Maxine Ann Beebe, Dorothea Peterson, Marilyn Emery, Frances Ann Carlson, Patty Kolpien, Nema Glassman, Jean Colley, Marcia Johnson, Patty Gibson, Patty Smith, Lulu Mae Donze.

To conclude, tea was served from tables artistically appointed by Mrs. Marcus Naylor and her hostess committee.

Let this MEDICATED Cream help heal externally-caused blemishes

DON'T "cover up" a poor complexion! And don't think there's "nothing you can do" about externally-caused pimples, ugly chapped lips and rough, dry skin!

Take a hint from scores of professional nurses—who were among the first to acclaim the greasless, MEDICATED cream, Noxzema, as a complexion aid! Since then it's been a thrilling discovery to thousands!

Noxzema does so much for poor skin because it's not just a cosmetic cream. It's medicated—not only helps

smooth and soften rough, dry skin, but also helps heal externally-caused pimples and blemishes. And in addition it has a mildly astringent action!

SPECIAL TRIAL OFFER

For a limited time you can get a generous 25¢ trial jar of Noxzema for only 19¢ (plus tax) at any drug or cosmetic counter. Get a jar today and try it for just 10 days as a night cream and as a powder base. See for yourself how much Noxzema can do to make your skin clearer, softer, lovelier!

Tidioute

Tidioute, May 5—A three-day Bible conference will be held in the First Baptist church in Tidioute on May 6-7-8. The speaker will be Rev. John Dornhoefer, pastor of the United church of Springboro. General theme, "Winning the Peace After the War."

The Woman's Society of Christian Service of the Methodist church met at the home of Mrs. F. E. Kapp Tuesday afternoon, May 5th. The leader was Mrs. E. L. Thomas. Devotionals were led by Mrs. H. Lineman, the guest speaker from Ruth M. Smith Home in Sheffield. Topic, "Children of the Church." Dainty refreshments were served by the committee.

The regular monthly meeting of the school board was held at the school house Monday evening, May 4th. F. E. Kapp was re-elected treasurer for the coming year. The budget was adopted and tax rate for 1942 was set at 20 mills nad \$3 per capita.

The Senior Fortnightly Club held its annual banquet Tuesday evening at the Hotel Tidioute. The guest speaker for the evening was Mrs. M. Carvalho, residing in Warren and a native of Rio De Janeiro, Brazil. She gave a very interesting talk and was enjoyed very much by all. The decorations were spring flocks and the officers table was decorated with a May pole, streamers running to the smaller tables. Favors also were small May poles. A delicious four course dinner was served.

Sunday, May 3rd, the Order of Odd Fellows marched in a body to the Methodist church. The Rev. F. Morris delivered the sermon.

Among those from out of town that attended the funeral of H. Jennings were his daughter, Mrs. James J. Brown, of Cooperstown; Mrs. Howard Pew, of Ardmore; Mrs. F. Hufnagel, Mr. and Mrs. Harry Devereaux and Mr. and Mrs. H. C. Shaw, of Bradford; Mr. and Mrs. W. D. Allen, Oil City.

Miss Leah Crawford and Mrs. Lorraine Merkle spent the weekend in Cleveland, O.

Mrs. Myles Palmer, of Tacoma, Wash., is a house guest at the home of A. E. Merkle.

Mrs. Roger Oiler, of Shamburg, was a recent visitor in Tidioute.

William Grettenberger left Friday for his home in Huntington Park, Cal., after a ten-day visit with his parents, Mr. and Mrs. W. Grettenberger.

Mrs. J. B. Taggart returned home Sunday night from Key West, Florida, and North Carolina, where she spent several months visiting her daughters.

Warren Student Is Making Fine Record In Airplane Course

Mrs. Ned Perry, who has been residing at 130 Biddle street, will leave Saturday with her two sons to make their home in Parkersburg, W. Va., where Mr. Perry is training at Stewart Airport to become an army air corps instructor. She will be accompanied by Mr. Perry's parents, Mr. and Mrs. S. G. Perry, who will visit their son.

According to an article from a Parkersburg daily, Mr. Perry is one of the six members of Flight D at Stewart Airport to make a class average of 96.8 in their secondary written examination. The exam was given by Inspector Roy Wyland and lasted the better part of a day, covering all subjects necessary for a commercial certificate: Navigation, meteorology, airplanes and airplane engines and civil air regulations. Flight D represents secondary students training as instructor for the air corps.

It is interesting to note that primary students averaged 95 in their first examination and secondary averages, not made public, were even lower.

Continuing, the article says: "One of the most popular visitors around the airport in a long time is Mrs. Ned Perry, who arrived here several days ago with her older son. She is staying near the airport, and is a frequent visitor there with her son, who promises early to follow in the footsteps of his father."

Missionary Society Votes Meeting For Warren Next Season

The Women's Missionary organization of the Oil Creek Baptist Association, meeting in Titusville Tuesday, voted to hold its next annual session in the First Baptist church of Warren. Officers elected for the coming year were: Mrs. M. C. Goodspeed of Erie, president; Mrs. M. J. Blain, of Union City, vice president; Mrs. Foster Maze, of Warren, home vice president; Mrs. K. J. Miller, of Wesleyville, foreign vice president; Mrs. Earl Burbee, of Warren, treasurer; Mrs. Harold Goetz, of Erie, secretary.

The meeting was attended by 125 women representing the 22 missionary societies of the churches of the Oil Creek association, and including the following from the Warren church: Mrs. James A. Davidson, Mrs. Harold Lee, Mrs. Burbee, Mrs. Charles F. Sill, Mrs. F. H. Hetrick, Mrs. E. V. Mellander, Mrs. Harold Hunter, Mrs. Lewis Elder and the Misses Anna and Laura Snyder.

Mrs. T. D. Edwards, of Titusville, retiring president, presided. Miss Frances Tencate, of Nelore, India, missionary of the Baptist denomination for more than forty years, spoke most encouragingly of the influence of the Christian nationals in India and the effect upon the morale in these tense days. Miss Tencate will speak in various churches of this area during the next two weeks before attending the Northern Baptist Convention which will convene in Cleveland the last week of May.

Garland

Garland, May 4 - Lyle McCollough is still in the Warren Hospital following the amputation of several fingers. The accident occurred in the Irvin factory where Mr. McCollough was employed. He has the sympathy of his friends and neighbors in Garland.

Merle Gibbons suffered an injury in an Erie plant where he is employed which will necessitate hospitalization. His many friends here sincerely hope for a complete recovery.

Miss Myrtle Norman of Akron, Ohio, spent the week end here with relatives.

The salvage for victory drive here Saturday was big success. The fund obtained is given for the benefit of the Garland school. Gratitude is extended all who helped in the success of the undertaking.

The Bristow sisters attended the funeral of Mr. Yates held in Erie recently. Their niece is married to a son of Mr. Yates. His sudden passing was a great shock to the family and several Garland people who had met him in his visits in Garland.

Mrs. Ralph Morris has received word of the death of her sister's husband in Chicago.

The Bristow sisters were hostesses for the Woman's Auxiliary of the Presbyterian church on Wednesday.

Norman Taylor and Mrs. Arthur Kane attended the gathering of Republicans in Warren on Wednesday, honoring General Edward Martin who is up for governor.

Mrs. Hill and children are out of town at present, having joined her husband where he is employed.

Arthur Kane passed a very enjoyable birthday on April 24th.

Mr. Britton and Fred Bugbee are the latest residents to receive employment in Corry.

TIMES TOPICS

FRACTURES WRIST

Mike Mikan, 30, 11 Jefferson street, had x-rays taken yesterday at the Warren General Hospital of a fracture of his left wrist suffered while at work yesterday at Struthers-Wells.

INURED IN FALL

Mrs. Carrie Brown, Tidouite, R. D. 2, was admitted to the Warren General Hospital yesterday after suffering a fractured left wrist in a fall on a flight of stairs. Her condition is good today.

P. M. EXAMINATION

A civil service examination will be held at Sheffield in the near future to fill a contemplated vacancy in the position of fourth class postmaster at Tiona, according to information from the Civil Service Commission. The closing date for applications is May 22. Applications may be obtained from the postmaster at Tiona or from the U. S. Civil Service Commission in Washington, D. C.

NUMBER INDICTED

Several persons from northwestern Pennsylvania were among those indicted by a federal grand jury at Pittsburgh yesterday. These include: Frank John Rollick, St. Marys, violation of Selective Service act; Salvatore Costabile, Lawrence Park, Erie, two counts of using naturalization certificate of a deceased person and representing himself to be a U. S. citizen; Glenn Edward Hartlieb, Erie, Selective Service violation.

HOLD FISH CHASE

Fifty-seven boys competed in the annual fish chase in the Y. M. C. A. pool Wednesday afternoon as another of the National Youth Week programs was held. Five live goldfish were placed in the pool and then the boys were turned loose in an attempt to catch them. Those who caught the fish were: First, Dick Kays; second, Eugene Morley; third, Larry Korb. Gus Johnson was the winner among the older boys.

COLLEGE SPEAKER

Ida J. Peebles, home economics extension representative for Forest county, announces a special speaker for the women's spring meeting to be held Friday in the Tionesta Presbyterian church. Miss Little, of Pennsylvania State College, will speak on "Adjustments in the Home Resulting from the War". The session will begin at 11 a. m. with lunch and an afternoon program beginning at 1:15. Skits, exhibits, recreation and a movie "For Health and Happiness" are other features.

HOSPITAL OPEN HOUSE

The Times-Mirror has been asked by the Meadville City Hospital to extend to readers, and particularly all students interested in entering a school of nursing, an invitation to attend "open house" at the institution from 1 to 5 p. m. on Sunday, May 10. The reception will serve a three-fold purpose: Official opening of the new wing, celebration of National Hospital Day and response to a request from national headquarters for recruiting of student nurses.

MANY NEW MEMBERS

Methodist churches of this vicinity participated in the area-wide membership program just completed and Bishop James H. Straughn reports that 12,500 new members were brought in from the 979 parishes of the Pittsburgh Area during the Lenten season. The 190 Erie Conference charges reported 2,498 new members. The program was set up by a special committee that included Dr. A. B. R. Colley, of Titusville, brother of Dr. Thomas E. Colley, of Warren's First church.

MEET POSTPONED

The play-offs scheduled for Wednesday evening in the city-wide martial tournament with boys from Jefferson and Beatty schools were postponed because of rain. They will be played Friday evening at 6:30 o'clock at the rear of the Beatty building. All boys from either of these schools desiring to compete have been asked to be on hand at that time. The finals for winners of the various school tournaments will be held on the "Y" tennis courts at 2:30 p. m. Saturday.

Sleepless Nights**

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent urination, backache, and burning or stinging passages when urinating are sometimes signs that there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give a happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Consumer Division
Has Pamphlets for
Perusal By Public

Samples of publications of the several departments and bureaus of the government have been received by Mrs. E. P. Wroth, chairman of the consumer division of the local defense council, and will be made available for use in the council office at 311 Market street as well as in the consumer corner at the Public Library.

Organizations planning programs and individuals seeking up to date consumer information should peruse the packets of samples as soon as possible, since they are loaned to the local committee for ten days only. Many of the pamphlets and exhibits may be obtained free of charge, but must be ordered direct from the separate agency that publishes them.

The purpose of the present exhibit is to serve as an information exchange on education and national defense. A partial list of topics covered includes: Planning for community programs; textiles and clothing; household equipment; planning for the family; the fight against inflation; defense and the consumer; war against waste.

Soldier Writes of
Oklahoma Tornado

An interesting letter was received a few days ago by Gus Bova, Beech street, from his brother, Sgt. Matthew Bova, who is stationed at Will Rogers Field, Oklahoma City, Oklahoma, concerning the tornado which occurred in that state recently.

He says: "Imagine you heard about the tornado in Oklahoma the other day. It was about 125 miles or so from here, and we didn't get a bit of it—not even rain. But it sure was bad in that one town. Picked up cars, trucks, tractors, trees, etc., carried them as much as a quarter of a mile in the air, and then dropped them. In one case a 2x4 was driven completely through a tree trunk 18 inches in diameter. In another case it stripped the feathers off two dozen chickens and didn't hurt them. It would have been interesting to have seen—from a distance."

BIRTHS

AT MATERNITY
Mr. and Mrs. Francis Moore, 627 Beech street, are the parents of a baby girl born today.

Believing in the necessity for physical fitness, Maj.-Gen. Jacob L. Devers at Fort Knox, Ky., has given officers on his general and special staff permission to leave their offices an hour early three days a week to take part in a regular program of physical exercise.

ENDORSEMENT FOR BLACK

Endorsement by the Order of Railway Conductors of Ramsey S. Black, who is a candidate for the Democratic nomination for Lieutenant Governor on the ticket headed by Judge Ralph H. Smith for Governor and Warren Hess for Secretary of Internal Affairs, has been announced by William A. Major, chairman and legislative representative of the organization, and H. O. Cook, secretary-treasurer. Endorsement, Major pointed out that Black, a member of the Order, started his career in 1900 as a clerk with the Pennsylvania Railroad and advanced later to the posts, brakeman and conductor.

The endorsement also recalled that Black was elected to the House of Representatives in 1917 and he had a 100 per cent voting record on all social, humane and labor legislation. In 1923 he was elected commissioner of Dauphin county and served in that capacity until 1931. Attaining one of the most outstanding records in the history of the county. In 1934 he was appointed postmaster of Harrisburg and in 1931 he was promoted to Third Assistant Postmaster General, which position he now holds.

Harrisburg—Fathers, mothers, brothers, sisters, wives, sweethearts and cousins of boys in the service, not only in Pennsylvania but throughout the nation should have a warm spot in their hearts for Auditor General F. Clair Ross, who is chairman of the National Defense Committee of the American Legion of Pennsylvania and a member of the State Council of Defense is credited with being the originator of the free postage privilege for members of the armed services.

On June 6, 1941, Mr. Ross addressed an appeal to Postmaster General Walker outlining his thoughts and desires toward extending free postage privileges to the boys in uniform. Although Ross realized that congressional action was necessary, his letter to Mr. Walker solicited his support of this suggestion. General Ross then directed his personal appeals to members of Congress with the re-

sult that free postage privilege has now become a reality. Auditor General Ross is the Democratic candidate for Governor bearing the endorsement of the Democratic State Committee and former Governor George H. Earle.

What You Buy With
WAR BONDS

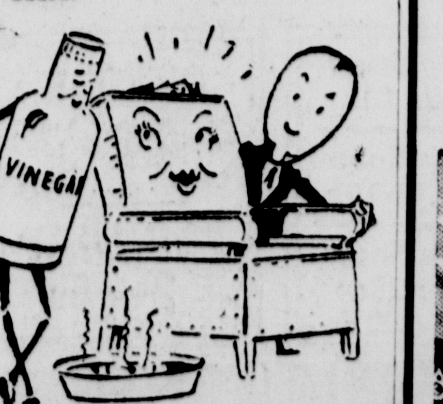

The 37 millimeter anti-aircraft gun, together with the 90 millimeter or heavy "ack-ack" comprises the business end of an anti-aircraft battery. The 37 millimeter gun is used on low flying enemy planes. It is completely automatic and costs about \$18,000.

But every American buying War Savings Bonds at \$18.75 each can buy these guns for our national defense. Shells weigh a pound each and burst into fragments as they hit the target. Do your share, hit the Axis by going over the top on your county War Bond quota. Buy War Bonds every pay day.

"Count your coins for counterattack"

Then restore the polish by rubbing with a mixture of whites of two eggs, beaten up with a little turpentine. Presto! It's new again! Such economies will help win the war, if you pledge your budget savings each month to buy WAR SAVINGS STAMPS AND BONDS.

Civil Air Patrol At
Drill in Jamestown

Twelve members of the local Civil Air Patrol accepted the invitation of the Jamestown Patrol to attend its drill in the Jamestown armory last evening. The group in that city is comprised of two platoons with a total membership of 150 persons.

After the drill, Warren visitors were taken on a tour of the armory building, adjudged one of the finest in the country, and were later entertained at Gretchen's Kitchen by their executive officer, Ed Walker.

The regular drill here is scheduled for this evening, but will be transferred from the airport to the armory building in case of rain.

Chapter 24
"Believe Me!"

AT first, Liu's story sent all kinds of storm warnings flapping through her mind. But in another moment, logic overtook her scudding fears. If Hajami were being held prisoner in some Ferris street house, Henri's visit there involved him, very probably. No doubt he had discovered the boy was there and was even now doing all he could to have him released.

"But don't you see, Liu," she began reasonably. "Mr. de la Pagerie is trying to help Hajami. That is why he has made trips to see him."

"Then why has he not said to you that Hajami was found?"

"I don't know. Perhaps because he has a very good reason for waiting until the right time."

The girl shook her head. "Mr. de la Pagerie is not trying to help Hajami. I am sure of that. He is not a friend to you, Miss Merrill."

"Liu! What a thing to say!"

"But it is true. I can tell by his face. I can tell by the way he sneaks in the side door and listens to what your father is telling you. I can tell by the way he picks up the telephone to make a call, he says, but listens to what you are saying."

"What call? When?"

"Just now. After you came up the stairs. Miss Stone and the Captain went out to the party to mix some drinks. Mr. de la Pagerie did not know that I could watch him from the hall. He told them—'You run along. I'm going to make a call and then I'll join you.' After that he listened to what you were saying. He did not make a call at all."

"It's just not conceivable. You must be mistaken, Liu." Stephanie whispered, staring at her.

The girl's lips trembled. "Believe me, I am telling you the truth."

"All right, Liu," Stephanie said briskly. "Thanks a lot for telling me this. I'll find out what it's all about. Now don't worry—and don't say anything of this to the others."

"No, Miss Merrill. And please,"—a little soft hand on Stephanie's arm, "be very careful."

"I will," she promised smiling and catching up her driving gloves, started downstairs.

Kurt was waiting for her in the hall below.

"Where are you going?"

"To Headquarters. They're short handed. I'm needed."

Kurt took her hand. "Pretty late, isn't it?"

"I'm taking out the midnight caress." She laughed at the concern in his face. "Heavens, I've done that dozens of times. Why so alarmed?"

"Just don't like the idea. Well—he opened the door for her, 'be careful'."

Too Many Warnings

BE careful—be careful. The warnings tagged her out to the old stable, down the steep hill. And Liu's strange story. What of that? She'd have to face Henri with it. Maybe there would be an opportunity if she happened to get home about the time they did tonight. Or perhaps she could call him in the morning.

At least, she decided as she walked the last block from the parking station to the huge office building where the Red Cross Headquarters occupied two floors, she wouldn't have time to do anything about it now.

"You are a treasure to help us out like this," Mrs. Daubney greeted her, smiling warmly. "Everything is in a perfect mess."

Stephanie worked right at the desk, taking calls, making out re-

ports, until nearly midnight. Then she tussled with the big five-gallon container of coffee, the boxes of sandwiches. She'd go alone again tonight. There just weren't workers enough to be spared.

"I don't mind. I'll be right back," she called as she started off.

She didn't mind, exactly, only she couldn't quite forget the picture of that poor soldier boy's inert body. Shuddering, she swerved to avoid a traffic island.

As she drew near the waterfront, she flicked on the windshield wiper. The fog was pouring in over the hill like a thick grey curtain. The occasional car she met, loomed out of the murky dark suddenly, alarmingly. Stephanie reduced speed to a crawl. This was awful. She could scarcely see a car's length ahead.

The fog closed in around her until it was as if she'd pushed into a world without dimensions. Even sounds seemed strangely distorted. And over all the monotonous wailing of the fog horns out on the water. Hollow, haunting means that sent shudders up her spine. An awful night to be out.

An awful night to be pacing some lonely beat, too, she thought as she finally recognized the street's curve rising toward the bridge approach. She'd be glad to get home after this. Cautiously, she inched her way along, saw the high embankment rise out of the grey void ahead, stopped the car.

Chloroform

SHE flicked the lights in the usual signal although she realized even as she did, that no light would penetrate this fog. She waited a moment to be sure. Then she rounded the horn. Three short blasts. Then three more.

The luminous clock on the dashboard ticked off five minutes. No response from the sentry who must be—who should be there! Stephanie felt growing apprehension mushroom inside. This couldn't happen again. Not really! She rounded the horn again.

Seizure of Autos Opposed

(From Page One)
Johnson told reporters he was satisfied there was sufficient legal authority now for the government to take over any equipment it needed in the war program, and he saw no necessity of new legislation.

With somewhat the same attitude, Senator Taft (R-Ohio) said he believed the objective could be accomplished by voluntary appeals to motorists to sell to the government any unneeded tires they had and to exercise care with those on their cars.

Henderson and the other government officials were reported to have told committee members the shortage was so acute that within a year there would be no new rubber for any civilian, regardless of priorities. Nor would any synthetic rubber be available for other than military needs.

Despite this opposition, Chairman Reynolds (D-NC) predicted the committee would approve the legislation Saturday.

Ludlow

Ludlow, May 5—A pleasant evening was spent at the home of Mr. and Mrs. Walter S. Cox when the last advanced course in first aid was completed. The evening was also a party for the class instructors, Mrs. Clegg Turner and Mrs. Cleon Longshore. Small gifts of appreciation were presented to the instructors. Dr. Cox, of Kane, showed interesting films on first aid work. Those who completed the course were: Mrs. Karl Olson, Mrs. Walter S. Cox, Mrs. Julius Swanson, Tillie Olson, Edith Larson, Mrs. John Esplin, Mrs. Robert E. Wenstran, Ruth Seltz, Lydia Dickinson, Mrs. Sherman Mattison, Mrs. Albert Carlson.

The Lutheran Moriah church was well attended Friday evening when a piano recital was presented by the pupils of Josephine Benson, of Sheffield. Those taking part in the program were: Mary Anna Connelly, Ann Marie Johnson, Johanna Johnson, Jimmie Connelly, Allene Johnson, Virgil Nelson, Margaret Swanson, Paul Johnson and Norma Bergquist, who gave piano solos, and Bernice and Carmen Cummings, of Sheffield, gave two vocal duets, and a piano accordion selection by Mary Konestoba, of Sheffield.

Mr. and Mrs. Henry Lawson, Mr. and Mrs. Swan Hammersten and Mrs. August Lawson and daughter, Janice, of Jamestown, N. Y., were Sunday visitors at the home of Mr. and Mrs. E. O. Nelson.

Mr. and Mrs. Oscar Swanson, of Ridgway, were Sunday visitors at the home of Mr. and Mrs. Ed Wenstran.

Mr. and Mrs. Wm. Hanson, Mr. and Mrs. Gust E. Anderson and Charles Hanson were weekend visitors in Jamestown, N. Y.

Mrs. Emil Erickson was hostess to the members of the Ladies' Aid in the Mission church Thursday evening.

Florence Carlson, of Jamestown, N. Y., is visiting with her parents, Mr. and Mrs. Gust Carlson, for a week.

Mr. and Mrs. Silas Johnson, Mrs. C. J. Carlson and Mrs. Joseph Molnar were Sunday visitors in Erie at the home of Mr. and Mrs. Harold Johnson.

Mrs. Hugo Engman and children, of Edred, were Sunday visitors at the home of Mr. and Mrs. Emil Engman.

Mr. and Mrs. Axel W. Anderson and family moved to Jamestown, N. Y., Saturday, where they will make their home.

Mr. George W. Anderson and daughter and son, of Smethport, were weekend visitors at the home of Mrs. Charles A. Anderson.

Mr. and Mrs. Oscar Olson, of Jamestown, N. Y., visited Saturday at the home of his brother, Gust L. Olson, of Wildcat, and at the home of Mr. and Mrs. Axel W. Mortenson.

COLE HILL

Cole Hill, May 4—Ernest Follett of Warren was here Monday taking an inventory of the telephones here.

He reports that no more telephones will be put in until after the war is over.

William Martin was a guest of his sister, Mrs. May Covell and family on Ross Hill, Monday.

Raymond Tripp of Garfield was here, Monday on business.

Two airplanes, one red and one yellow, came from the direction of Youngsville, Tuesday, circled around and went back again.

Miss Margaret Dyer, the Cole Hill school teacher, spent the weekend at the home of her parents, Mr. and Mrs. Charles Dyer at Youngsville.

Mr. and Mrs. Frank Keller of Cleveland, Ohio, were Sunday guests at the home of Mr. and Mrs. Paul Holmes at Torpedo. Mr. Keller expects to leave for the army Monday. Seven of his family are already in the service.

A plant engaged a short time ago in making stainless steel beverage containers now produces hundreds of oxygen cylinders for high altitude fighting and bombing planes. On the same day that the last beverage container was made, 300 skilled workers began making the cylinders. No time was lost by the men, and it was not necessary to install expensive machinery for the changeover.

More than 8000 different pieces of metal go into a single large airplane engine—all of them shaped and sized by metal-cutting tools.

PATRIOT'S MAP: PROUD HOME STATES OF 200 AMERICAN HEROES DECORATED SINCE PEARL HARBOR—Six months ago many people unwittingly cheered Hitler by declaring "American boys are growing soft." Those were the days when "Defense" was a big word. The map of the United States meanwhile has a new significance. Since December 7 more than 200 soldiers of the United States Army from all parts of the country have been decorated for valor, conspicuous gallantry in action and distinguished service. For instance, Florida boasts among her heroic sons one who was awarded the Congressional Medal of Honor; another, the Distinguished Service Cross, and still another, the Silver Star, and four won the Distinguished Flying Cross. The list is not complete because the home addresses of many of these brave men are not yet available, and those heroes living in Alaska, Hawaii and the Philippines are not included. Awards since April 25 are not indicated.

In the center may be a small pool in which birds can drink and bathe, or a bird bath, sundial, fountain or any similar feature. Around it a ribbon planting of dwarf sweet alyssum is suggested.

The outside border of this garden should be planted in a blue tone, and there is no better material available than ageratum. The four corner beds may be planted alternately with red and blue, or more accurately purple, petunias. These accurately purple, petunias. These accommodating flowers give the

It Happened In
WARREN-46 YEARS AGO

NOTE: This is the second in a series of spotlight pictures of Warren in 1896. We have passed by major news items in the Warren Evening Mirror to choose amusing and interesting sidelights which show a picture very like, yet far different from the Warren we see in 1942.

Many billboards, barns and fences will expound the merits of the famous "Battle Axe" plug tobacco, as a gang of painters employed by the American Tobacco Company have arrived in Warren—and now they advertise cigarettes with "Information Please".

Arthur Highhouse and Fred Dinsmore left today for Buffalo on their wheels to attend the bicycle races there.—quite a trek with roads what they were.

A Mirror representative fell off a high sidewalk on the East Side today and almost broke himself in two.—where are, or were, "high sider aliks?"

The class of '96 entered "unpaved waters" for "undreamed shores" at Commencement exercises last night. The young ladies were prettily attired in white; the young gentlemen were dignified and composed in the presence of the ordeal through which they were to pass. The decorations on the Opera House stage were neat and tasty; plants, palms and flowers, the latter representing the class colors which are red—class colors, red. Can that be right?

A bicycle Merry-go-round is one of the attractions at Recreation Park.—wonder where that was.

For Rent: 10 room house with gas connections for both lines, city water and good barn on lot.—you used to choose your gas company.

Many raisers now are getting all the vitamin A necessary from fresh green feed but the department pointed out that source was seasonal and that provision must

be made for the rest of the year.

Experiments conducted by two Penn State professors indicate that hogs fed on a three-fourths grain diet and kept on good pasture grow as fast as those on a full grain diet with no pasture.

Professors M. A. McAarty and T. B. Keith said they believed that farmers participating in the "food for freedom" campaign should not overlook the possibilities of producing hogs with one-fourth less grain.

Forages used in the pasture tests were alfalfa, sweet clover, and rape. The concentrate mixture—largely grain—which is fed with alfalfa or clover forage should contain at least 15 per cent protein but more may be added if rape pasture is used.

On farms where alfalfa or clover is not available, rape may be seeded for use as a late summer hog pasture. Grain feeding need not be limited since pigs make their most rapid gains when full-fed.

Gifts for a half to three-fourths grain allowance on good pasture are ideal for breeding purposes, the professor said, from the standpoint of growth and thrift.

Apple trees girdled by mice during the past winter months face death unless repairs are made immediately, fruit specialists at Penn State warned today.

A prompt and effective job of bridge-grafting usually will insure such quick and complete recovery that trees show little if any set-backs.

COMMERCIAL Pileggis, Transit In TOURNEY AT Elk Alley Triumphs; Penn Center Warren Tips Franklin

Promptly at 7:30 o'clock this evening, the eight Commercial League teams which went through one of their most successful seasons at the Arcade during the past winter, take full command for approximately two hours, or slightly more, of Harry Bittenbender's new kegling avenues at the Penn Bowling Center.

Every bowler on every team in the Commercial circuit is asked to be on hand by 7:15 tonight, so that the first games can be started at 7:30 as scheduled.

The tournament provides for each member of the league to bowl two teams which finished in the first division and two others which finished in the second division during the league campaign.

The Busy Bee Restaurant, Olson-Bjers, Bradford Penns. Times Square, 3-G Oils, A. & P. Market, Oscar's Restaurant and Valone Cleaners are the eight teams included in this one night affair.

The prize list, printed earlier this week, hasn't been altered in any way, with awards to be made for first, second and third high team scores over the four games.

The tournament committee hopes to have the affair completed by ten o'clock tonight, but it will take the co-operation of every bowler participating to get started promptly so that this may be arranged.

Open bowling will follow the event tonight.

Gerardinos team in the Elks League was the victim of circumstances last night as the rollofs leading to the club title for the 1941-42 bowling season resumed, and the National Transit took two of three games from the aforementioned outfit.

Gerardinos ended up with a total of 2296 to 2262 for the Transit, but, unfortunately for them, in the rollofs the total count isn't worth a lead nickel. Transit took two out of three contests on scores of 723 to 796, 710 to 684, 829 to 817.

Pileggis survived the first elimination round with two straight games over Lewis Market, on scores of 870 to 833, and 818 to 758, with "Buzz" Kyler pacing the attack, contributing a 225 game.

Additional first-week action in the rollofs is on tonight's card when the Times-Mirror battles New Process and Turners face Cochran, both matches scheduled to start at 7:30 o'clock.

At the Penn Bowling Center last night, the only other local establishment offering any competitive scores, a hand-picked all-star aggregation of local sharpshooters met Franklin's best in a return match and swamped the invaders by a 2737 to 2535 margin.

Warren dropped the first game, 842 to 763, but set a torrid pace in the second as they added up 1015 team game to 860 for the

opponents, and also set the first team game record on the new local alleys.

There were no 600 series in the match, but the Check brothers, Dick and Myron, led the way for Warren with 582 and 583 totals, respectively.

LADIES GIVE LESSONS
 Ladies continue to pound the pins in an unorderly manner in the new P. B. C. alleys, according to scores submitted from last night's practice sheets. Evelyn Johnson rapped the maples for 215 and Marian Olson hit 178, giving the male keggers fair warning that there'll be some "fair" competition come another season.

Tonight the Commercial loop stages a tournament across all eight alleys at the P. B. C., beginning at 7:30.

At the Arcade, Engineers and X-Ray Department clash in the Struthers-Wells rolloff this evening at seven o'clock. They are respective first and second-half winners of the circuit.

Honor roll scores last night: At Elks—Kyler, 225; at Penn Bowling Center—D. Check, 212; M. Check, 228.

CANCEL TOURNAMENT
 Harrisburg, May 7—(P)—The Women's Central Pennsylvania Golf Association (PGA) has cancelled a scheduled tournament at York on June 23 because of "transportation difficulties." President Mrs. Fred S. Reese, announced today.

SPORT SPATTERINGS
 At least eight softball teams are expected to campaign locally this summer, with four already in the fold for the City League and as many more expected at tonight's Church loop meeting to be held at 7:30 o'clock at the Y. M. C. A. . . . And, if Sunset baseball is ushered into the community once again, perhaps we'll have plenty of outdoor recreation for players and entertainment for fans this summer, after all . . . The City League softball teams will be decked out in new uniforms for the most part . . . The K. of C. hasn't ordered any new equipment as yet, but probably will before the season begins and the Recreation Center will have new blue and gold duds, the Sons of Italy red and gray, and the Struthers-Wells have ordered togs to be of royal blue and white design . . . The biggest hurdles in the way of the City League are obtaining umpires and a commissioner . . . By next week, however, they hope to have everything solved . . . At their meeting in the T-M editorial rooms Tuesday night the opinion was expressed that thorough softball diamonds should have backstops . . . What can be done about this, especially with iron pipe and steel screening needed in the war effort in other forms, seems to be little, at least this year . . .

We don't mean to be going overboard on this youngster, but Russell's Johnny Kane like he may have that quality needed to crash PONY League ball in a year or so, and he should get some valuable experience under "Fat" Swanson, pitching for the Hospital this summer . . . Kane is a southpaw twirler, boasts better control, at least for as much as we've seen of him, than Jamestown's Lyle Parkhurst, but hasn't developed quite as much stuff, though his fire ball really leaves a smoke screen . . . With Monk Murphy, Chuck Clawson and Jim Akeley, all young comers, back from last year's outfit, you can look for the Hospital to offer some good ball and win their share of contests . . . Ed Hasler is attempting to complete his cleaning-up program on the "Y" tennis courts this week, and if weather permits, plans to open them for play some time next week . . . When the Warren and Jamestown pistol teams wound up their indoor season, the matches stood with an even number of triumphs for both sides . . . They expect to shoot this off in the summer out-of-door . . . Next winter, by the way, there'll be a strong effort, as interest has grown steadily, to organize a pistol league to include such surrounding communities as Bradford, Jamestown, Olean, Dunkirk and possibly Erie . . . Of course, the war may have its effect on this proposal . . .

Boudreau Has No Illusions Of A. L. Flag
 New York, May 7—(P)—Lou Boudreau, Cleveland's leading juvenile, had no illusions about his chances of winning the American League flag, even before the Yankees slapped the Tribe out of the leadership yesterday.

"It was nice winning those 13 straight," smiled the 24-year-old manager, "but we didn't quite expect to keep that up. Our goal still is to finish in the first division." (The Indians wound up in a tie with Detroit for fourth place last year.)

"You see," he continued, "we're not what you would call a balanced club. Our pitching isn't too strong and we're not very fast. After all, you can't lose a pitcher like Bob Feller without feeling it, can you? But in some ways we're a better team than last year—better spirit and hustle, anyway."

Yesterday's Stars

RICE GOOD AFTER LONG BURIAL

Twelve grains of rice were found in a 100-year-old statue being repaired at a temple in Shiga prefecture, Japan. The lacquered surface of the statue made the space inside airtight, thus preserving the grains, which were planted and sprouted.

IT WILL BE DIFFERENT NOW

Pneumatic life rafts, carried in planes for emergency water landings, contain 29 pounds of rubber.

Nation's 1st Mother Tree Found In Pa.

Harrisburg, May 6.—Congress authorized the second Sunday in May as Mother's Day and on this day, throughout the land young and old alike will gather under white birch trees planted in parks, cemeteries and gardens to pay honor to the best friend a child ever had.

Pennsylvania has the distinctive honor for planting the first Mother Tree in the United States. It was planted at Lake Antietam, Reading, in 1923. In 1924 a white birch tree, dedicated to the mothers of our President, was planted on the south lawn at the White House. Another was planted in 1928 at Fredericksburg, Virginia, at the grave of Mary Washington, the mother of our first President. In 1932 the Gold Star Mothers planted a white birch to honor the mother of the unknown soldier at the Arlington National Cemetery. The soil which was placed around the roots of this tree was furnished from every State in the Union.

Deputy Secretary Chas. E. Baer, of the Department of Forests and Waters, says that the choice of the white birch for a Mother Tree was fortunate, for it and its varieties are considered among the most beautiful trees in the world. To see it once is to remember it always. The bark of the trunk and limbs is white with small scattered black markings where branches join the stem.

Throughout the year it is handsome whether viewed in winter when its creamy whiteness blends into the snow covered landscape, or in summer when it is distinctive against a background of green grass and shrubbery.

Even the leaves have a dressed-up appearance. They are triangular in shape with shiny upper surfaces and are attached to the branches by long slender stalks. The foliage of the white birch resembles that of the trembling aspen in that it is restless even in the lightest summer breeze.

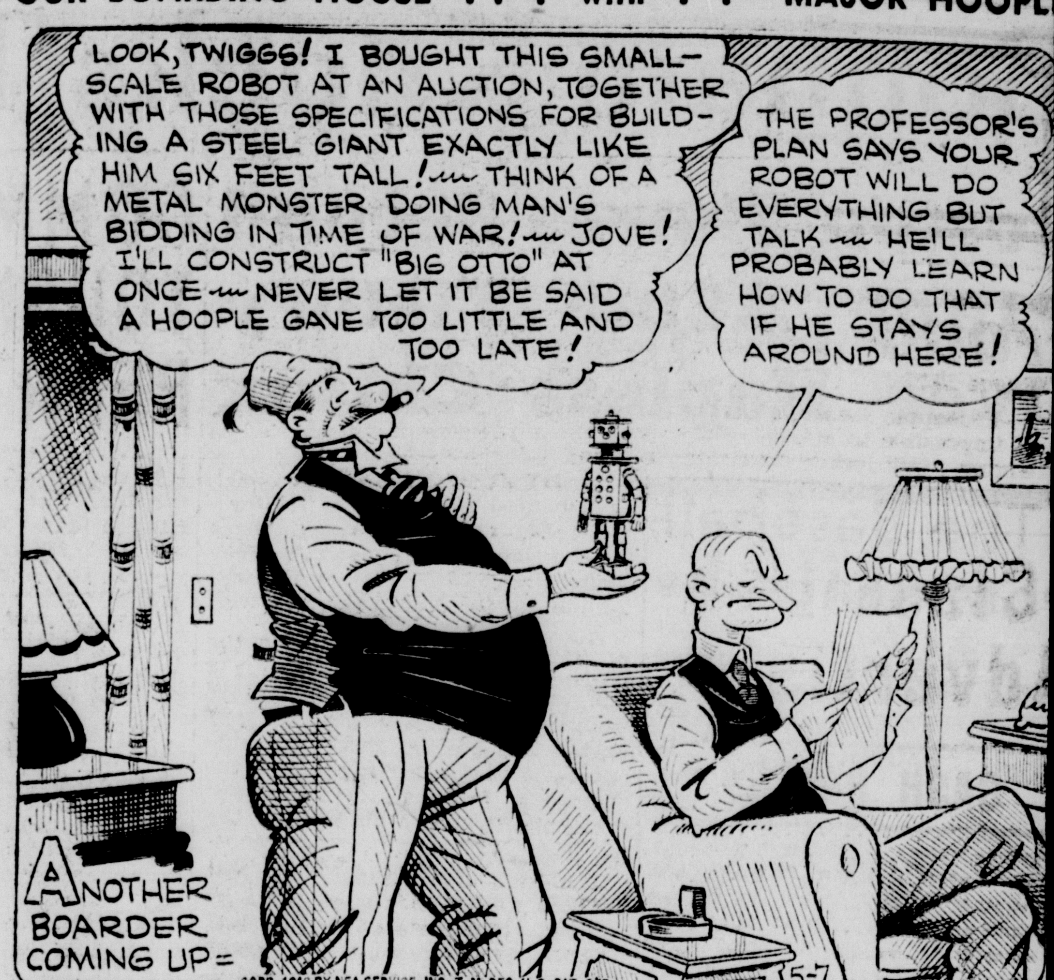

Samuel Taylor Coleridge, the English poet and essayist, called the white birch "The Lady of the Woods."

Jap Successes Bring New Invasion Threats

Japan's successful drive into Burma takes on new importance as capture of Lashio and Mandalay opens possible invasion routes to China and India. Map shows Japs' new triple threat.

Casualties In Conflict Not Known

(From Page One)

1. A pincer's squeeze on China, one main force striking from the north and the other from the south, the latter employing the armies already emerging from Burma into China.

2. An attack on Russia, which military men unanimously agree the Japanese will undertake sooner or later. The timing is almost certain to depend on developments on the Russo-German front.

3. An assault on Australia itself probably designed to wipe out north coast bases for Allied offensive action rather than to lead to the conquest of the entire continent.

4. Raids in force, if not full scale attacks, against either Hawaii or Alaska or both because of their offensive threat.

5. The conquest of India, or at least its eastern coastal areas and sections near Burma, an undertaking which might well depend on whether the Japanese could expect a friendly or an actively hostile populace.

MISSING ARMY PLANE DISCOVERED IN HILLS

Washington, May 7.—(P)—The war department announced officially today the finding of the wreckage of an army plane bearing Major General Herbert A. Dargue, commander of the First Air Force, and seven others, which disappeared nearly five months ago on a transcontinental flight.

The wreckage was found in mountainous country near Bishop, Calif. All aboard were dead. The plane, a big army transport, disappeared on December 12 on a transcontinental flight, on the eve of a four-inch snowfall and had since been buried under snow.

ATTACK! ATTACK! ATTACK!

America's attacking on both the fighting front and the home front today! We're giving the Axis a bitter taste of what's to come. We're fighting the inflationary fifth column that blows price sky high here at home, too. And every one of us who saves at least 10% of his pay in War Bonds is an important soldier in the attack!

Employment Week Being Celebrated

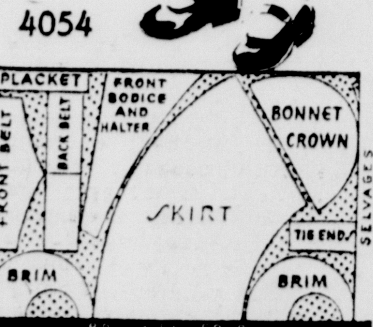

Throughout this week, proclaimed by the president as National Employment Week, the local office of the United States Employment Service will cooperate with veterans' organizations and other civic, labor, and business groups in an intensive drive to find "jobs for Men over 40." Mr. Levine, manager of the Warren office today announced that his office, working with the American Legion and other veterans' organizations, will make an effort to place on jobs, preferably war production jobs, unemployed older men in this and in neighboring communities.

Mr. Levine said that business and labor organizations, churches, and other civic groups, are cooperating with the Employment Service in accomplishing the objectives of National Employment Week.

"We shall, of course, continue to carry on the day-by-day work of placing on jobs all unemployed men and women and those who have asked for transfers from their present jobs to those in war production plants or those turning out essential consumer goods. But this week we shall concentrate particularly on our older unemployed workers. We cannot, of course, undertake a house-to-house canvass or go into the street and ask a man whose hair is becoming gray if he has a job. However, we urge unemployed workers over 40 to register at the employment office and give us an opportunity to refer them to jobs for which they are qualified."

The president's proclamation, Mr. Levine said, placed emphasis upon finding jobs for veterans. The president pointed out that "these men who were in the ranks of America's military forces in 1917 and 1918 not only can serve, but are vitally needed in the ranks of industry and agriculture today. They had something to give in youth and valor then; they have something to give in experience and skill today."

for sportscasters, staged with the idea of getting more radio publicity, almost resulted in a boycott instead. Only one of the world singers won on the ponies that day. Young Jim Bagby reports that his pappy didn't tell him about pitching. He says all he learned from Jim, senior, was how to throw a screwball and that the way to learn how to pitch was by experience. Al Buck, the New York Post fight expert, is due to go into the army soon. Then it'll be a case of Private Buck, buck private. When Kjell Qvale, former U. of Washington track captain now a cadet at the Corpus Christi, Tex., naval air station, was timed in 9.2 seconds for a 100-yard dash recently, officials decided 9.4 would be a more reasonable time. But they say it wasn't because they didn't believe their eyes but because there was a slight wind at his back.

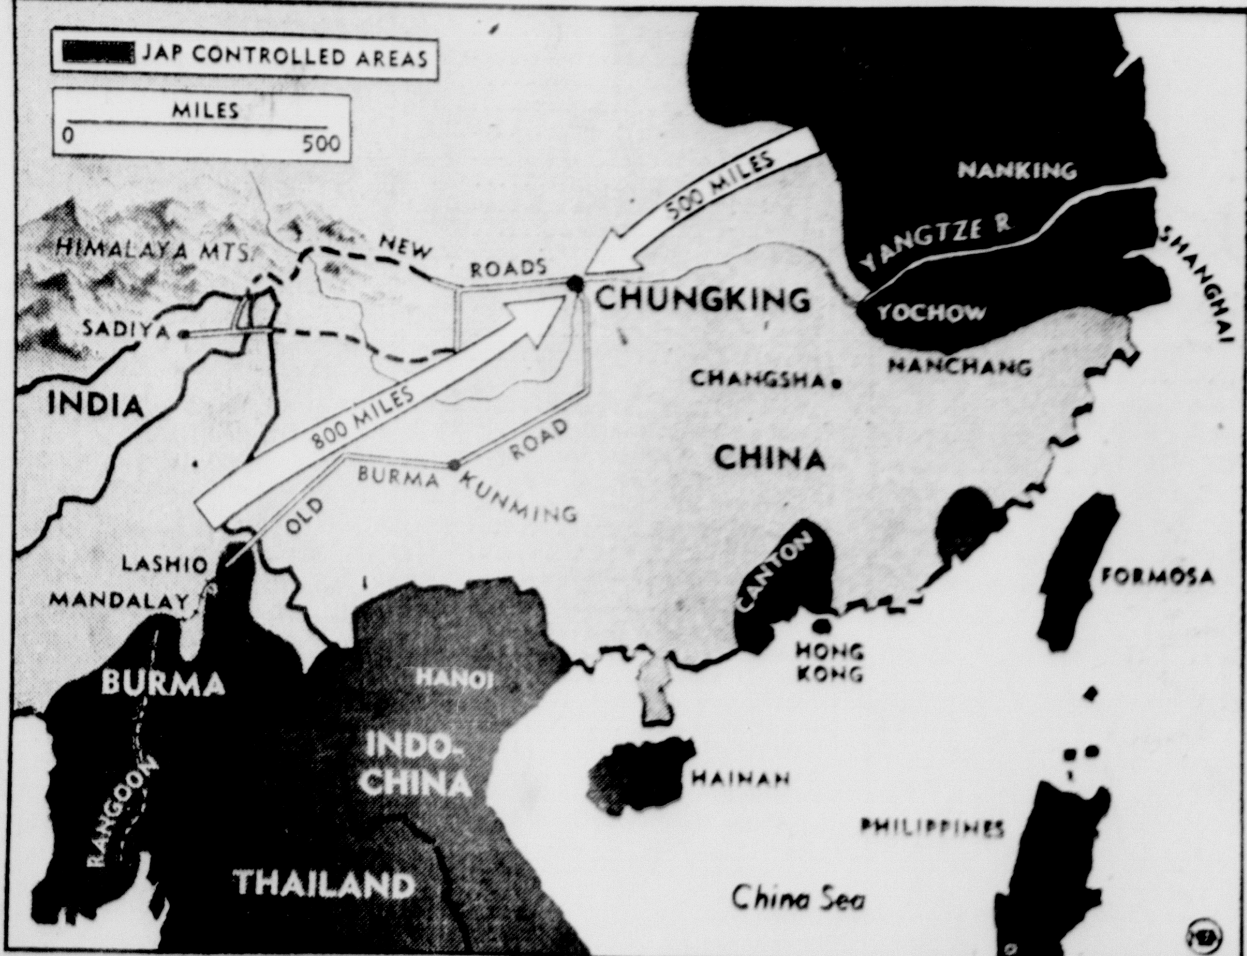

SPORTS ROUNDUP

BY HUGH FULLERTON, JR., Wide World Sports Columnist
New York, May 7—Speaking, perhaps, with a touch of prejudice aroused by recent events, James J. (I always have a story for you) Johnston, argues that there's no such thing as a punch-drunk fighter. Some of the boys' reported that Abe Simon's recent retirement was a result of his desire to avoid taking one punch too many. Says Jimmy: "Look at all the sparring partners; look at the guys who used to fight 20 rounds in every fight. Look at all the punches they took. The only ones that act queer had something wrong with them all the time only it didn't show up while they were in fighting shape. They never began to act punchy until they let themselves get out of condition." Says Jimmy (does he ever stop?): "By the way, Larry Atkins is here offering \$25,000 for Bob Pastor to fight Harry Bobo at Cleveland in June."

Two-Love
Paul Lyons of Clovis, N. M., had to whip Vernon Lanham of Carlsbad twice to win their quarter-final match in the recent New Mexico high school tennis tournament. Rather than take a forfeit, Lanham volunteered to play a delayed match. After losing, he repented and Lyons, figuring his rival had been such a good sport in the first place, offered to play the finishing touches on a second trimming when an official arrived to straighten things out.

NOTICE to our Charge Customers

Effective immediately, our Credit Department is operating in accordance with "REGULATION W, As Revised Effective May 6, 1942," of the Board of Governors of the Federal Reserve System. The new terms may be briefly summarized as follows:

On Open Accounts:

If you charge an article on your "open account," you must pay for it not later than the 10th day of the second month following the month in which the article was bought. Thus if you charge an article in May, it must be paid for by July 10. If it is not paid for by that time, we are obliged to suspend your credit until payment has been made, or suitable arrangements have been made to complete payment on a contract basis. This applies to merchandise charged after May 1, 1942.

On Installment Accounts:

You must make a Down Payment of not less than one-third of the total Cash Price. The total period of the contract may not exceed 12 months. No monthly payment shall be less than 5.00.

(Please facilitate the adoption of this new plan by placing your account on the above basis as promptly as possible, if it is not already on that basis.)
